

## **Covid Protocols at Hybrid Old Guard Meetings starting June 7, 2022**

We have received permission from the **New Providence Presbyterian Church (NPPC)** to hold Tuesday morning in-person / hybrid meetings beginning June 7<sup>th</sup> in their **Parish Hall at 1307 Springfield Avenue in New Providence NJ 07974**.

It's the big white church at the main intersection in New Providence, just two blocks from our former meeting place at the New Providence Municipal Center. The parking lot is west of the intersection along Springfield Ave, directly across the street from the Prestige Diner. Please park in the back of the parking lot.

Of course, COVID-19, while now less virulent, continues to pose a threat. And so, we have established the following protocols for those who choose to attend meetings in-person:

- All attendees must be vaccinated and have at least one booster shot.
- Proof of vaccinations/booster will not be required. Attendees are on the "honor system".
- Masks to be worn at the meetings (we will have spares on hand).
- Members should observe social distancing requirements whenever possible.
- Members experiencing "flu-like" symptoms, and members not comfortable with our COVID precautions, should attend via Zoom.
- Protocols are subject to change based on new information from governmental authorities or our host facility.

Even given these protocols, it is important to realize that no vaccine provides 100% protection from COVID and that each member is responsible to assess his own risk before attending any Old Guard activity.
