## **ABOUT THE OLD GUARD**

The OLD GUARD of Summit was founded in Summit, NJ, by E. Marvin Heberd and thirty-one associates on Tuesday, December 2, 1930. At the first meeting, Ruford Franklin suggested "Old Guard" as the name of the organization, citing "Old" as a term of endearment rather than age. Other records suggest that the name refers to Napoleon's elite group.

The organization's primary purpose remains, as stated by the founders, to provide good fellowship and stimulating activities for its members.

Today, membership is open to men from all walks of life. New members are voted in after an initial visit to a meeting as a guest, filing an application, and being nominated by a sponsoring member. Dues are \$55 per year. Members come from a large number of neighboring towns and communities.

Hybrid meetings are held in-person every Tuesday (except holidays) at 10:00 AM in the New Providence Presbyterian Church and on Zoom. The meetings are preceded by a coffee and social hour at 9:15 AM. Typical weekly attendance ranges between 90-110 members split between in-person and Zoom attendees. Interesting speakers of stature in many fields are attracted to the Old Guard because of the size and quality of the audience.

In addition to weekly meetings, over 25 committees and activity groups provide regular access to enjoyable pastimes such as golf, bridge, trips, walking, bocce, fishing, computers, sports chat, and discussions on timely topics of the day. Trips are one-day affairs by bus to shows and interesting locales and are scheduled roughly once a month. A longer excursion, to Bermuda or Canada for example, is arranged from time to time.

The Director/President and Vice Director/Vice President and three trustees are elected directly by the membership. The Director annually appoints the Recording Secretary, Corresponding Secretary, Treasurer, Historian, Chairman of the Membership Committee and three at-large members for one year terms. The Director, Vice-Director, these officers, and the immediate Past Director constitute the Council that governs the operations of the organization. The Council meets monthly.

The Summit Old Guard was the first and the model chapter for many Old Guard chapters now in New Jersey and other states.

Jacket and tie are regarded as appropriate attire for attendance at meetings, but business casual is acceptable. From May through September, appropriate casual clothes can be worn.

THIS DIRECTORY, IN EITHER HARDCOPY OR ELECTRONIC FORM, IS PUBLISHED SOLELY FOR INFORMATIONAL USE BY SUMMIT OLD GUARD MEMBERS. ITS USE FOR ANY OTHER PURPOSE IS STRICTLY UNAUTHORIZED BY THE OLD GUARD COUNCIL (more on [back cover](#)).

## **POLICY ON PRIVACY AND USE OF MEMBER DATA**

Old Guard policy restricts the use and disclosure of members' personal and contact information. It is the responsibility of all members to honor that policy.

The Old Guard Directory and each member's personal and contact information are provided to members solely for Old Guard uses. Any other use or disclosure of such information to anyone outside the Old Guard is not allowed.

The Directory (in paper or any other form) may be used by members to look up contact information and use it for personal communications. Members should not use Old Guard contact information for distributing communications broadly to members whom they do not know personally. Any public service announcements should be handled through Old Guard channels.

Each member may control his privacy in the Directory when he joins, and annually when asked to review his entry in the Directory. Members may opt out of listing their phone number, mobile number, email, and other information that they do not wish to disclose to the entire membership.

When you discard this Directory or replace it, please consider shredding this copy instead of putting it in the trash, to safeguard members' private information.

## **MEETING CANCELLATION NOTICES**

Please note that an in-person Old Guard weekly meeting will move online with Zoom whenever our in-person venue is unavailable (due to weather, etc). We will send a blast email and post it at our website:
