ABOUT THE OLD GUARD

The SUMMT AREA OLD GUARD was founded in Summit, NJ, by E. Marvin Heberd and thirty-one associates on Tuesday, December 2, 1930. At the first meeting, Ruford Franklin suggested "Old Guard" as the name of the organization, citing "Old" as a term of endearment rather than age. Other records cite Napoleon's elite group.

Its primary purpose was then, and remains, to provide good fellowship and stimulating activities for its members.

Today, membership is open to men from all walks of life. New members are voted in after an initial visit to a meeting as a guest, filing an application, and being nominated by a sponsoring member. Dues are \$55 per year. Membership cover a large number of nearby communities, leading to the alternate name Summit Area Old Guard.

Hybrid meetings are held in-person every Tuesday (except holidays) at 10:00 AM in the New Providence Presbyterian Church and on Zoom. The meetings are preceded by a coffee and social hour starting around 9:15 AM. Typical weekly attendance ranges between 90-110 members split between in-person and Zoom. Interesting speakers of stature in many fields are attracted to the Old Guard because of the size and quality of the audience.

In addition, over 25 committees and activity groups provide social interaction through enjoyable pastimes such as golf, bridge, trips, walking, bocce, fishing, computers, sports chat, and discussions on timely topics of the day. One-day trips to shows and interesting locales take place several times a year. Longer excursions, to Bermuda or Canada for example, are arranged from time to time.

The Director/President and Vice Director/Vice President and three trustees are elected directly by the membership. The Director annually appoints the Recording Secretary, Corresponding Secretary, Treasurer, Historian, Chairman of the Membership Committee and three at-large members for one-year terms. They, with the Director, Vice-Director, and immediate Past Director form the Council, which meets monthly and governs the operations of the organization.

The Summit Old Guard was the first and the model chapter for many Old Guard chapters that arose in the region. 

Jacket & tie are regarded as suitable attire at plenary meetings, but business casual is acceptable. Appropriate casual clothes can be worn from May through September.

THIS DIRECTORY, IN EITHER HARDCOPY OR ELECTRONIC FORM, IS PUBLISHED SOLELY FOR INFORMATIONAL USE BY SUMMIT OLD GUARD MEMBERS. ITS USE FOR ANY OTHER PURPOSE IS STRICTLY UNAUTHORIZED BY THE OLD GUARD COUNCIL (more on [back cover](#)).

POLICY ON PRIVACY AND USE OF MEMBER DATA

Old Guard policy restricts the use and disclosure of members' personal and contact information. It is the responsibility of all members to honor that policy.

The Old Guard Directory and each member's personal and contact information are provided to members solely for Old Guard uses. Any other use or disclosure of such information to anyone outside the Old Guard is not allowed.

The Directory (in paper or any other form) may be used by members to look up contact information and use it for personal communications. Members should not use Old Guard contact information for distributing communications broadly to members whom they do not know personally. Any public service announcements should be handled through Old Guard channels.

Each member may control his privacy in the Directory when he joins, and annually when asked to review his entry in the Directory. Members may opt out of listing their phone number, mobile number, email, and other information that they do not wish to disclose to the entire membership.

When you discard this Directory (if paper) or replace it, please consider shredding this copy instead of putting it in the trash, to safeguard members' private information.
